O	<p>Read the passage and then answer the questions. Teachers are an essential part of our lives. They teach us and help us to discover who we are and how to succeed. It's important to appreciate the teachers who are dedicated to their jobs. Even if you feel you have too much homework and too many exams, take a moment to think how important your teachers are. Without them you wouldn't be where you are today. Teaching requires a lot of time, preparation and effort. Outside of the class, teachers write lesson plans, create exams and grade tests. They also attend training sessions to find tools and ways to help students succeed. So you see how your teachers are busy with a wide variety of responsibilities. The next time that you see your teachers, tell them you appreciate their help. <u>True OR False?</u> 41. The only things that students learn at school are reading and writing. A. True B. False 42.
