9	<p>Reading comprehension .</p> <p>درک مطلب</p> <p>Man must eat in order to live. One of the most important facts of man during his life has been to make certain that he has enough food to eat when he needs <u>it</u> . Early man had little choice in what he ate . He ate what he could find . He lived on the roots of plants , fruits , the eggs and the meat of small animals . He didn't have any power of control his food supply . When he ate all the food in one place , he had to move to another one to find enough food to eat . If there were no rain or if the weather were too hot or cold , Plant would not grow , and he could have little or no food . Man's life changed , however when he learned how to grow plants and use animals . Later when he discovered fire , He learned how to prepare his food . He also learned to make tools and guns to produce his own food .</p> <p>32) What was the early food ?</p>	5

	<p>33) How could early man change his life ?</p> <p>34) Did he have to move to other places ? why ?</p> <p>35) What does it refer to ?</p> <p>True / False</p> <p>36) The amount of food that the early man had , was related to the amount of rain .</p> <p>37) Early men found ways of growing plants .</p>	
24	<p>موفق باشید</p> <p>جمع نمره</p>
