٢٥-

١- correctly	٢- hopefully	٣- calmly	٤- suddenly

٢٦-

١- show	٢- contain	٣- use	٤- expand

Reading

The advantages or positive points of e-readers certainly seem to be more than the disadvantages. They are light and mobile devices that can be taken anywhere. Taking one device allows us to take hundreds of novels with us without having to pay for extra luggage on the plane.

The electronic nature of e-readers gives us so much more than a print copy of a book can do. It lets us read in the dark (handy in case of a power cut). We can look up unfamiliar words in the in-built dictionary with just one click, we can make notes, and we never forget what page we were on: the e-reader remembers **that** for us. If our eyesight declines, we can make the letters bigger. We can re-read Jane Eyre as often as we like and the book will never look any worse for it. And even if our taste in books is unusual, nobody need know: others can't see what we are reading.

Not only that, most e-books are cheaper than their print versions, and many older books can be downloaded for free.

So why have only one in three of us read an e-book? The answer must be that there is something special about the look, the feel, and maybe even the smell of printed books. 'Real' books are objects that have a past and their physical presence surrounds us with happy memories.

٢٧. The author seems to believe that…….

١- printed books are here to stay	٢- everyone will soon be using e-books only	٣- the digital world has totally changed the publishing industry	٤- e-books are difficult to use because they require the use of some extra digital devices

٢٨. What does paragraph ٢ mainly discuss? ….

١-The way e-books have changed people's reading habits	٢-The reason why e-books are more fun to read	٣- The effects of e-books on human health	٤- The advantages of e-books

٢٩. The name "Jane Eyre" in paragraph ٢ is most probably……

١- an author's name	٢- a book title	٣- an e-reader brand	٤- a text that is difficult to understand

٣٠. What does the word "that" in paragraph ٢ refer to?

١- making notes	٢- the reading act	٣- the page we were reading	٤- the meaning of unknown words
