When I got a job in an office I carried on spending all my extra money on clothes-even after I had got married(ازدواج کردن), bought a house and had children. In many cases, I bought the things which I didn't really need them! I realized I had a problem when my five-year-old daughter looked into my wardrobe(جا لباسی) and asked me why I had so many handbags. I counted(شمردن) them. I had twenty five handbags and <u>actually</u> they must have cost me thousands of pounds. I couldn't believe what I'd done!First of all, I threw away my credit card. Then I gave away all the clothes that I'd never worn. After that I made arrangements every Saturday to visit friends or go on a day trip, So I wouldn't be able to go shopping.</p> <p><b><u>29- What does the writer say about herself after she got married?</u></b></p> <p>a) She tried to stop spending too much    b) She managed to spend less than before<br/>c) She continued spending carelessly    d) She became depressed about her appending</p> <p><b><u>30- How did the writer feel when she realized she had a problem?</u></b></p> <p>a) shocked    b) angry with herself    c) ashamed    d) frightened</p> <p><b><u>31- What is the meaning of the underlined word "actually"?</u></b></p> <p>a) totally    b) in general    c) completely    d) in fact</p> <p><b><u>32- Which one is the best title for the passage?</u></b></p> <p>a) My shopping habits are strange    b) How I spent lots of money on clothes<br/>c) Some tips for reducing money spent on shopping<br/>d) How my bad shopping habits turned into the best ones</p> | ۱۳   |
